

CARTON DROP ZONE

Carton Care Instructions

DRINK IT
Your body needs healthy beverages so drink all of it. Make sure the carton is empty.

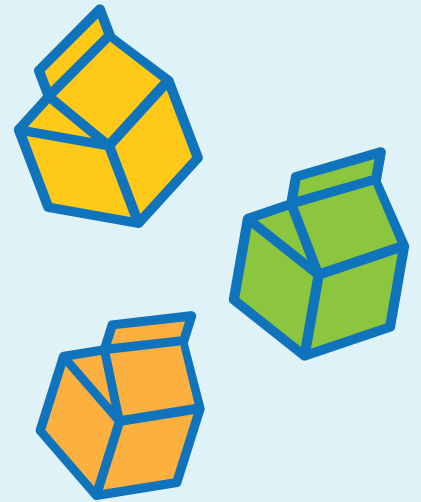

RINSE IT
Rinse out your carton with water.

PLACE IT
Place your carton in the Carton 2 Garden™ collection bin.

DRY IT
Allow the carton to dry for 2+ days in a proper receptacle. Cartons should be left in open air, not sealed in a bag, to prevent mold and mildew.

GOAL
Collect 100+ cartons!
